3/4/93

Dear Postmistress,

We spoke the other day about the letters I enclose.

I think I'd like to have a local record of them so I leave them with you for the post inspector, whenever he is here.

These three letters are from one Harrison Livingsyone to Mrs. Mary Ferrell, in Dallas, and to me, dated December 13, 1993, February 9 and February 10 , 1993.

Livingstone lives in Baltimore.

There is a Baltimore police interest. Detective Joe Adams phoned me about the relationship between Livingstone and one or more policemen.

Thank you for anything you can do.

My entire file is, of course, available for examination or copying.

Sincerely,

Harold Weisberg
